INSTALLATION INSTRUCTIONS

Step 1. Check Package Contents

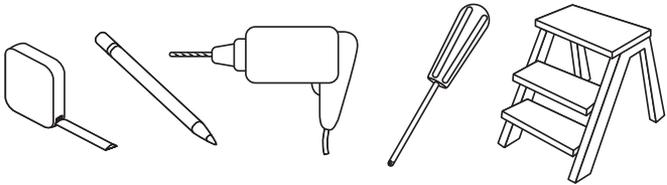

Missing part? Call 800-264-1190

Mounting hardware kit includes the following:

| Part | Quantity |
|--------------------------------------|----------------------------------------------------------|
| a half circle board | 1 |
| b bracket | 4 |
| c support clip | 3 (arches up to 3ft. wide) 5 (arches up to 6ft. wide) |
| d 1 $\frac{1}{8}$ " screws | 4 |
| e $\frac{3}{8}$ " screws (for clips) | 3 (arches up to 3ft. wide) 5 (arches up to 6ft. wide) |
| f arch support | 1 |
| g pleated/cellular material on rails | 1 |

Note: one extra screw of each noted size is included for convenience.

Step 2. Tools Required

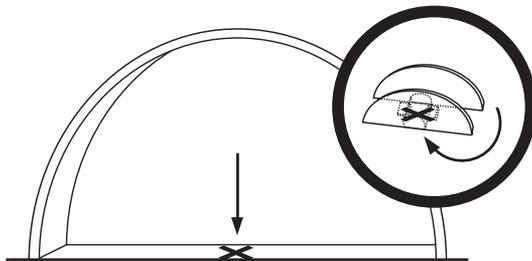

Tape measure, pencil, drill, screw driver, step stool.

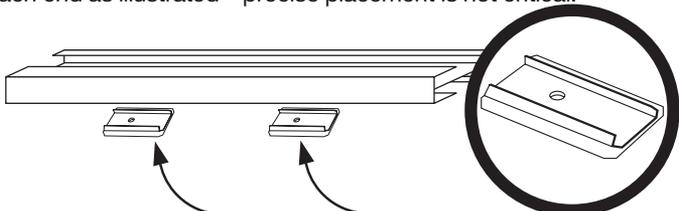

Note: use a 3/32" drill bit to pre-drill the screw holes.

Step 3. Bracket Location and Installation

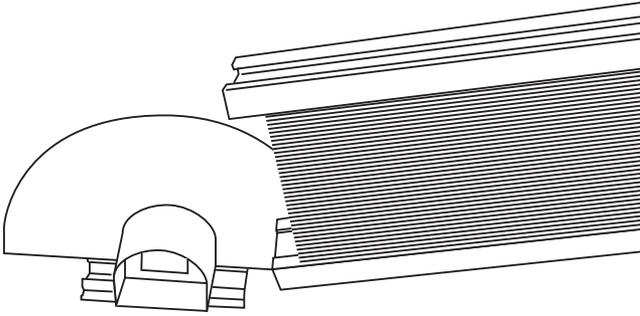

Make a pencil mark at the center of the bottom of the Arch Window opening. Make the corresponding mark at the center of the Half Circle Board.

Put two brackets on one of the rails – one about 1/3 of the way from each end as illustrated – precise placement is not critical.

Arch
shade

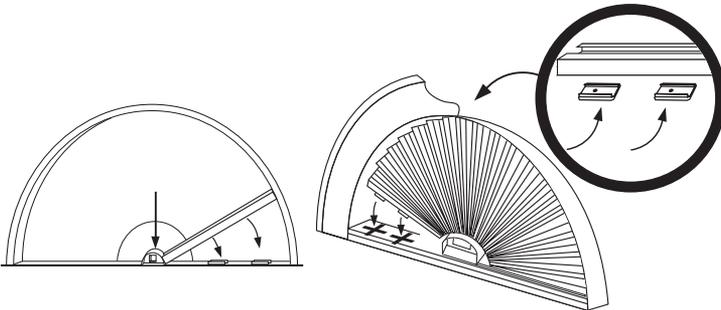

Remove the face of the Half Circle Board. Attach the rail to one of the tabs of the Half Circle Board. Center the Half Circle Board on the inside of the arch opening. Mark bracket location with a pencil.

Note: the brackets should be equidistant from the front edge of the window opening

Remove the brackets from the rail, pre-drill the screw holes and attach the brackets to the inside of the window frame with $1\frac{1}{8}$ " screws.

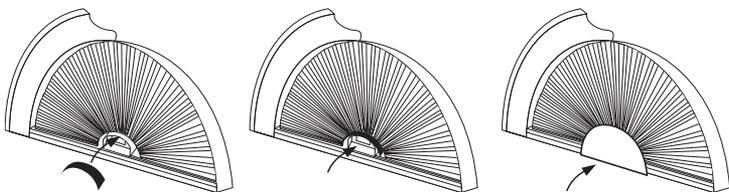

Attach the rail to the installed brackets making sure that the Half Circle board is again centered in the arch opening. Then attach two brackets to the other rail.

Now fan open the cellular material, and mark the bracket locations of the other side of the arch. Remove the brackets and attach them to the window frame as described above. Attach the 2nd rail to form the arch with the cellular material.

Step 4. Install the Arch Support

Carefully slide the Arch Support between the pleats and the center of the Half Circle Board. Then replace the face plate of the Half Circle Board.

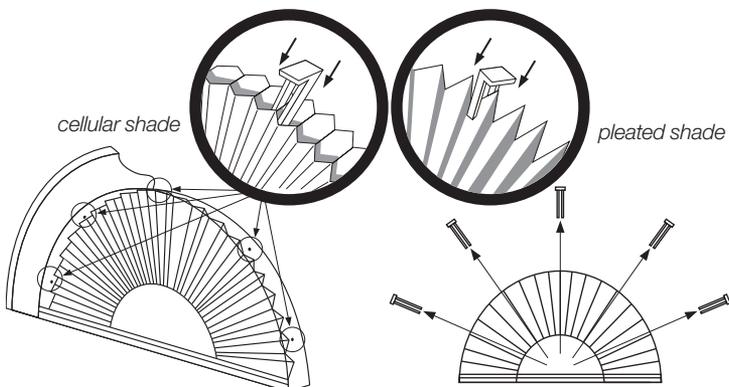

Step 5. Install the Support Clips

There are 3 clips for small arches and 5 clips for larger arches.

Install 1 clip at the top-center of the arch.

Slide each clip onto the inner edge of a cell for cellular shades; and at the inner-back of a pleat for Pleated Shades [see illustrations]. Use a pencil to mark the screw location. The other clips should be spaced evenly on each side of the arch – precise placement is not critical.

Gently push the cellular fabric out of the way in order to pre-drill the screw holes – if plaster or saw dust gets on the fabric it can be easily brushed or vacuumed off {or you can remove the cellular arch temporarily before the screw holes are drilled} - do not let the drill come in contact with the fabric.

Drill all holes before attaching the clips. Screw the clips in place using the $\frac{3}{8}$ " screws.

Cleaning your Shades

The vinyl head and bottom rails can be wiped clean with a damp sponge.

To clean the shade fabric, use a feather duster or vacuum lightly using the soft brush attachment.

REPLACEMENT PARTS

In the event that replacement parts are ever needed, you may call:
1-800-264-1190

Please be sure to provide the following information, if possible:

- The complete model or catalog number of your product
- A description of the product
- A description of the part needed

LIMITED LIFETIME WARRANTY

The enclosed product is warranted to the original residential retail purchaser as long as the product remains in the original window.

Covered: Lifetime: entire product against manufacturing defects (i.e. A flaw in the product design, materials, or workmanship that causes the product to no longer function)

5 years: All fabric

Not Covered: Normal wear and tear any product that fails due to:

- abuse • exposure to salt air • improper installation • accident
- extraordinary use • improper operation • alterations • improper cleaning
- misapplication • damage from pests/ insects/pets • improper handling
- misuse

Costs Associated With: • product removal • transportation to and from the retailer • brand label removal • product re-measure • incidental or consequential damages • product reinstallation • shipping in the event there are multiple blinds/shades in the same room, only the defective blind/shade will be replaced.

To Report Shipping Damage: If damage occurred during shipping, call place of purchase and report within 7 calendar days or else you may be denied credit for your damaged product.

To Obtain Service: If you suspect this product has a manufacturing defect in materials or workmanship: 1. Locate the sales receipt 2. Call place of purchase. Any unauthorized returns will not be accepted.

Warranty Remedy: This shall be your sole remedy under this limited warranty. If this product is found to have a manufacturing defect in materials or workmanship, we will (at our discretion) do one of the following:

- Repair the product • Replace the product • Refund the cost of the product colors vary from lot to lot and may not exactly match sample swatch or previous purchases. Discontinued items or color selections will be replaced with the closest equivalent current product.

YOUR RIGHTS UNDER STATE LAW: This lifetime limited warranty gives you specific legal rights, and you may have other rights, which vary from state to state. Some states do not allow limitations on how long a warranty lasts, so the above limitations may not apply to you. No agent, representative, dealer, or unauthorized employee has the authority to increase or alter the obligation of this warranty. This lifetime limited warranty supersedes any previous versions.
